1) Presentation of the event by the Clerk of the Course

Parc Fermé went ok and charging good. An incident after Borgarnes between RS-7 and RS-8, where a tracker in car 2 stopped working. BH met with it before RS-8, looked at the system, found a short circuit happened and took appropriate measures. The car was given a new start time, but was over the 30 minute maximum lateness
Stewards decision: Car 2 will incur a maximum penalty of 3600 points.

Zero car put the start sign for RS-10 too early.

Stewards decision: Regularity 10 will be cancelled

2) Report from Scrutineering

Everything good, 2 cars charged 100%, car 1 did not charge 100% but charged enough for Leg 2. Nothing irregular to report.

At the end of Leg 2 car 1 arrived with 37.5% charge, car 2 with 48% and car 3 with 47%. Leg 2 kilometer is correct for all 3 cars.

3) Any other business

Current standings will be posted when available with RS-10 removed.

The next meeting will be held Saturday 10-Jul-2021 @ 14:00 at Kvartmiluklubburin Clubhouse

The meeting was closed at 23:00
